

The Northfield Parks Foundation committed to raise \$500,000 for the Willow Park Renovation Project. Over the past year the Foundation has been busy communicating to residents the benefits of the renovation project. We hope you have had a chance to stop by and visit the newly renovated park. We know you will not be disappointed!

In the fall of 2007, a community golf outing was held, an on-line silent auction took place and the foundations first benefit was held at Pinstripes with over 160 people attending. Through these efforts \$ 50,000 was raised. The response to the year-end request to residents and business was outstanding, raising \$100,000. During the fall, the Foundation Board members were busy talking about the project and securing additional contributions totaling \$ 250,000. In the Spring of 2008, the Foundation sent out a project update for the park, which also requested continued support. This appeal raised \$25,000. The total raised to date is \$425,000.

Sue & Doug Warshauer

As you can see, the community support has been outstanding. We have \$75,000 more to reach our goal of \$500,000. If we receive the same support as last year, we will meet our goal. Once this goal is attained, a donor recognition plaque will be developed recognizing all “cumulative” donations above \$1,000. The Foundation Board would like to make this goal by December 31, 2008. We realize giving is difficult during these economic times. Anything you can do to help would be greatly appreciated.

As in the past, your continued contributions and support enable the Northfield Park District to provide residents with first class parks. Northfield can be proud of the upgrades made to the parks and the community. The entire Foundation Board would like to thank you for your consideration and generosity.

All proceeds benefit the restoration of Willow Park, “Where We All Love To Play!”

Yes, I would like to help out with these community-based projects! Enclosed is my **contribution or pledge** of:

Donor

\$100

Family Donor

\$200

Sponsor

\$500

Family Sponsor

\$1,000

Contributor

\$2,500

*A contribution of \$1,000 or more will receive permanent recognition on a plaque.

Patron

\$5,000

Benefactor

\$10,000

Special Benefactor

\$20,000

Other-Please Specify Amount

Contributions of \$10,000 or more will receive special consideration by the Park Board on naming privileges for a portion of the project.

Pledges are payable on or before 12/31/09.
